Form - Duty of Candour Annual Report

All health and social care services in the UK have Duty of Candour responsibilities. This is a legal requirement which means that when things go wrong and mistakes happen, the people affected understand what has happened, receive an apology and organisations learn how to improve for the future.

An important part of this duty is to provide an annual report about the duty of candour in our service. This short report describes how the Care Home has operated the duty of candour during the last year. We hope you find this report useful.

What year does this annual report relate to?: 2025

Who is completing the report: CP25071

Job Role: Home Manager

Provide a short narrative about your service: Clarence Park in Weston-Super-Mare is a care home for up to 43 residents. We provide residential, nursing and dementia care for older people who require care and support in a homely setting. We aim to ensure that our residents receive an excellent quality of care and live happy, fulfilled lives.

Please provide a short explanation of the learning from any Duty of Candours (Please do not provide any information that could identify individual residents): in response to the resident and their family, we reviewed their care and support plans, additional measures were introduced to support their health and wellbeing. including ensuring regular diabetic foot checks are completed and documented to monitor signs of skin breakdown, infection, or complications associated with diabetes. Staff have been reminded of the importance of ongoing monitoring and early reporting of any concerns. We also ensured that the resident's mental capacity was assessment in relation to their ability to understand and engage with their care needs, including the importance of diabetic foot care. where appropriate, best interest decisions will be made in line with mental capacity act involving the resident, their family and relevant healthcare professionals to ensure safe and appropriate care is maintained.

Duty of candour informs our learning and planning for improvements as a service, and as a company. It has helped us to remember that people who use our services have the right to know when things could be better, as well as when they go well.

Do you confirm that you have made this report available to the regulator but in the spirit of openness, have also published it to share with residents and their relatives too.: YES
